

HOW TO MEASURE

BUST

Wrap a measuring tape around your body at the fullest part of your bust. Be sure your arms are at your sides, the tape is flat against your body and parallel to the floor.

WAIST

Stand with your feet hip-width apart and bend sideways-where you indent is your natural waist. Wrap the tape around your body at the natural waistline. The tape should be flat against your body and parallel to the floor.

HIP

Wrap a measuring tape around your body at the fullest part of your bottom. Be sure the tape is flat against your body and parallel to the floor.

THIGH

Measure the circumference of the fullest part of your thigh. Wrap the tape measure around your thigh from front to back and then around to the front.
